Dear Member,

Members Heritage Credit Union values your membership — and we understand how rising interest rates and car prices have made auto loan payments more challenging than ever.

To help, we're excited to offer you a **\$100 Amazon shopping coupon** and introduce our new, budget-friendly financing option: **Loan Balance 24 (LB24)**.

LB24 is designed to give you a lower monthly payment and a conservative end balance that helps you build equity over time. Even better, you can take advantage of our **Early Exit Review**. The dealer will contact you **24 months prior to loan maturity** with a trade-in offer and the opportunity to upgrade to a new vehicle and **fresh LB24 loan**. The choice is yours!

Compare and Save: Want the best payment option? Compare our **conventional loan with LB24** to see what works best for your budget.

Here's how to get started:

1. Visit any **participating dealership** to shop for your next vehicle.
2. Present this letter to the dealer, who will provide MHCU loan options for your review.
3. The dealer will submit your gift request, and you'll receive a **\$100 Amazon gift code** by text or email within **72 hours** of your purchase!

We hope you enjoy this special auto loan promotion — and the extra \$100!

Don't forget to bring this letter with you to ensure your gift request is submitted.

Thank you for your continued membership.
